

Section 3 - External Auditor Report and Certificate 2020/21

In respect of **Steeple Barton Parish Council**

1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2021; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor report 2020/21

Except for the matter reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The inspection period for the exercise of electors' rights does not include the first ten working days of July as specified in the Accounts and Audit Regulations, Part 15 (1). Please note we would anticipate this being taken into consideration when completing the Governance Statement on your 2021/2 Return.

Other matters not affecting our opinion which we draw to the attention of the authority:

The Council left a significant time period between approval of the Annual Governance and Accountability Return and the commencement of the Public Rights Period. The Audit and Accounts Regulations 2015, section 12 (3)(a) and proper practices require that following approval of the Return, the Public Rights Period should commence as soon as is reasonably practicable. As the Report was fully approved in May we would have anticipated the commencement of the period to have been close to the earliest available dates for announcement, being on or close to the 2nd June with commencement being the following working day. Where this is not possible, for whatever practical reason, the Council should ensure these delays are clearly notified to the public to ensure they are given full opportunity to exercise their public rights.

3 External auditor certificate 2020/21
