Busy Bees: Many thanks to everyone who baked cakes and came and supported our Busy Bees Marathon fundraiser, we managed to raise over £250 thanks to the villages incredible generosity. Will has currently raised over £1000 for Busy Bees securing the future of the group meaning that we can continue to provide essential social interaction for babies and toddlers in the community! At the time of press Will will have completed the marathon so congratulations Will and hope you're taking a well deserved break from running! Busy Bees playgroup runs every Tuesday in term time from 9-11am at the AMH.

Pre-School: All of a sudden it's May! The month known as Three Milkings in Old English has certainly come around again swiftly, and this year it's bustling! Topics this term are Mini Beasts, Plants & Growing, and Transport & Road Safety. The latter being particularly important now we are spending more time outside. You may have spotted our rather fine new tall front gate! This is to provide extra security for the little ones as it is now too tall for them to operate themselves. They'd have to be a budding Airey Neave to get through it unattended! Our access gate in to the school grounds has been getting some good use, as we encourage the children to stretch their legs and give the running track ago - they love the freedom! We and the Easter Bunny, wish to thank you all so much for joining us on the Easter Trail in April. The sunshine graced us with its presence, and to have everybody coming together around the bunny grotto with a drink and a hot cross bun was a real joy. It was such a lovely day. The money we raised went straight in to adding some wonderful new features to the children's garden. We now have an outside chalkboard, a freestanding xylophone, a teepee, and some sensory features including funny mirrors and more water play. Inside, we have a new feature area which focuses on emotions.

What are they? How do they feel? How can we talk about them with others? Many thanks again to you all. Our next fundraising appearance will be on Sunday May 7th, at the Village Coronation Party. Here we shall be providing summery cups of Pimms from 2pm onwards. We'd love to see you there! This current term ends Friday 26th May, with the next term starting on Monday 5th June 2023. If your child is over the age of 2 and you would like to register them for Pre-School, do please call or email on [01869 347968](tel:01869347968) or middlebartonpreschool@gmail.com, so that we can send you a registration form. Registering your child in advance helps us arrange staffing requirements. We accept government funding for 15-30 hours if eligible. Steeple Barton PC: Report for the SBPC Meeting held on the 17th April 2023. Prior to the meeting on Monday 17th

April, 15 mins is given over for members of the public attending to comment on village matters. This was extended to 30 because of a larger than normal attendance, which was in response to the outlying planning application for Holliers Field that runs alongside Holliers Road. These plans had been launched onto the planning portal at WODC. The Chair (Kate Carter-Windle) asked if the people were in favour or there to object. There was a show of hands indicating objection, and as a result of this a spokesperson was appointed to express the objections. The Chair reminded them that everyone in the village can log their opinion on the planning portal. All of the concerns were listened to and where they could be a discussion around these concerns was had. Among the concerns were: the width and parked cars on Holliers Road; the sewage system which was built in the 1960's; surface water being discharged into a pond. This of course was with regards to children's safety; the fact that the Doctors surgeries are no longer taking on new patients; also the lack of public transport (we do have Our Bus Bartons); too many houses, the need for housing in the Bartons is for less than 30 houses. Another concern was that should the plans be approved there is the ability to extend beyond the number of 80 houses as quoted. The Council listened to the comments as well as reading the outlying application themselves. A discussion was had and a vote taken. There were 5 objections to the proposed plan and 2 abstentions. A statement from the Council will go to WODC planning in due course. There were apologies from DCllr Jackson. *The Coronation:* the Council confirmed that along with a small donation from The Destiny Fund they intend to provide a

Commemorative coin for each child under 16 in the village. Steeple Barton Parish Council Governance documents for 2023 were reviewed and approved. This included Financial Regulations, Risk Assessment and the Asset Register. *DONM:* the next meeting which is the AGM and Elections for a New Chair will take place on Monday 15th May 2023 at 7:30 at the Alice Marshall Hall.

Speedwatch: After a quiet month in April, the better weather and longer daylight hours means we have more opportunities for sessions, including some early morning ones. We have recently welcome two new volunteers, but the more the merrier. Contact Dave Jackson skellgilldave@yahoo.co.uk. 07407 443944.
