

## **Cllr Dave Jackson report – May 2025**

As a result of the recent Oxfordshire County Council elections , our County Councillor Andy Graham (representing the Liberal Democrats), was re-elected, with an increased majority.

Here are the voting figures according to party affiliation :

Liberal Democrat 1517

Conservative 900

Reform 509

Labour 228

Greens 220

The turnout was a slightly disappointing 38%.

Councillor Graham will hold this post until there are elections for the new Unitary authority, most likely in 2028.

It seems likely that my Bartons Ward will have an election next year, to elect a district for probably two years, until the advent of the new combined Unitary authority.
