Dear Ms Beale

Proposal to develop affordable housing in The Bartons

We are writing to give your Parish Council an update of the progress we are making to deliver a small affordable housing scheme in your village for local people.

You had an update from Tom McCulloch at the Rural Community Council back in January and since then we have taken this area of community engagement in-house and will be providing you with regular Status Reports from now on.

As you will be aware, there is a proposal to develop 8 units on the land adjacent the Carpenters Arms in middle Barton with Cottsway Housing Association. As far as we are aware the Housing Association is continuing with its site surveys.

We do hope to be in a position to give you much fuller feedback in our next Status Report at the end of April, including reasons behind selection or otherwise of each site proposed by the Parish Council.

If you have any further queries please do not hesitate to contact either Abby Fettes abby.fettes@westoxon.gov.uk 01993861684 for planning related matters or Ffyona.macewan@westoxon.gov.uk 01993 861156 for housing related matters.

Yours sincerely
